

Therapist/Counselor Part-Time

The Personal Wellness Center is seeking a part time **Licensed Certified Social Workers - Clinical (LCSW-C); Licensed Clinical Professional LCPC; Psychiatric Mental Health Clinical Nurse Specialist PMHCNS-BC** to join our team in **Salisbury, MD**. We are a growing private practice and holistic wellness center providing a variety of mental health services. Our approach to healing and wellness is focused on mind, body, and spirit as we aim to inspire our clients to make healthy choices that will support their wellbeing and personal success.

We are seeking a therapist who loves empowering clients. As a therapist at The Personal Wellness Center, you will not only create and implement individual treatment plans, but you will also be interested in (or open to learning) holistic modalities that can be leveraged to augment your client's wellbeing. The center offers an array of modalities that will allow you to be on the cutting-edge of counseling, having many tools at your disposal for treating your clients. Our facility also has space that will accommodate workshops and group sessions, so there are opportunities for creating and treating patients consistent with your background, areas of expertise, and the center's multi-disciplined team. A therapist with a creative and positive spirit will be a good fit to continue to expand both our team and outreach to the local community.

Benefits for part-time/independent contractors

- A competitive compensation.
- Health insurance stipend -when seeing 28 clients/week.
- Flexible Schedule
- A progressive, positive, exciting, and supportive work environment.
- Opportunities for learning holistic practices.
- 40% Discount on TPWC workshop/seminar taught at TPWC.
- 20% Discount on all retail products.
- Use of AquaMassage, BioMat and REWOT services, free of charge.
- Free yoga classes.

Responsibilities

- Provides counseling/therapy to child through geriatric populations including, but not limited to:
 - Providing assessments of client's needs with respect to physical, functional, psychosocial, environmental, financial, educational, and/or other needs.
 - Developing treatment, crisis intervention, and case management as appropriate to your client caseload.
 - Creates, monitors, and updates treatment plans to ensure the effectiveness and appropriateness of services to meet the client needs.

- Coaches patients on how to manage their on-going conditions and challenges and providing therapy that will help them develop positive behavioral changes.
- Ability to identify and recommend additional wellness services for clients, as appropriate.
- Advises and makes recommendations to clients, their families and/or physicians as appropriate.
- Maintaining timely and accurate case notes within our EMR (Therapy Notes). It is the clinician's responsibility to ensure that ALL notes are written the same week the client was seen. There is only a 7-day window to complete clinical documentation.

Required Job Qualifications of the therapist:

- Master's degree, from an accredited university.
- Current license in the state of Maryland.
- Two years of clinical experience providing counseling and mental health services.
- Open to work with children, teens and adults.
- Strong written and verbal communication skills to appropriately facilitate client, diagnostic, business, and outside resource needs.
- Intermediate to advanced knowledge of mental health challenges, personality development, and modalities of treatment.

Preferred Job Qualifications of the therapist:

- Bilingual English and Spanish is a bonus, but not required.
- Interest in offering opportunities for counseling outside of individual appointments such as but not limited to:
 - Workshops aligned with areas of expertise, field interest and/or populations treated.

Other necessary Skills

Individual must possess the knowledge and the following skills and abilities or be able to perform the essential functions of the job, with or without reasonable accommodation, using some other combination of skills and abilities.

- Great attention to detail, strong organizational skills and the ability to maintain confidentiality
- Strong interpersonal skills with an ability to maintain a high level of customer service
- Be able to work creatively, independently and collaboratively as a team member.
- Prioritize workload
- Excellent oral and written communication skills
- Proficiency in MS Office
- A team player with leadership skills
- An analytical mind with problem-solving skills

- Manage schedules and deadlines
- Keep abreast with all organizational changes and business developments
- Team player -work well with other people in the business
- Strong work ethic
- Flexibility -Adapt to the demands each day brings and excel in whatever task that's required
