MISSED/CANCELLATION APPOINTMENT POLICY

My practice is structured just like a doctor practice, where a specific time slot is scheduled just for you and cannot be filled at the last minute.

For that reason, my missed appointment policy requires at least 24 **hours' notice of cancellation or rescheduling**. Otherwise, the full service fee will be charged to the credit card number provided and on file.

Exceptions of course will be made for emergencies such as illnesses and transportation breakdowns. Forgetting your appointment or last-minute work or social obligations are not considered emergencies, so a missed appointment fee will be charged to you in those circumstances.

Thank you for your consideration in this matter.
