## MISSED/CANCELLATION APPOINTMENT POLICY

Our practice is structured more like that of a psychotherapist than that of a doctor, where a specific time slot is scheduled just for you and cannot be filled at the last minute.

For that reason, our missed appointment policy requires at least 48-hour notice of cancellation or rescheduling. Otherwise, the service full price will be charged.

Exceptions of course will be made for emergencies such as illnesses and transportation breakdowns. Forgetting your appointment or last-minute work or social obligations are not considered emergencies, so a missed appointment fee will be charged to you in those circumstances.

If, on the other hand, we inconvenience you with our scheduling error, you will not be charged for your next appointment. Thank you for your consideration in this matter.
